SOFT MEETING COLLECTION

Cate & Nelson

Para nosotros SOFT MEETING es una colección en la que solamente se trata de crecer juntos y de entender cómo la relación entre trabajo y vida ha evolucionado hacia una cotidianidad más dinámica.

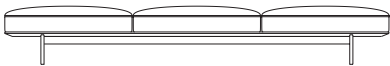

La idea tras esta colección es crear una plataforma en evolución en la que compartir experiencias y encontrar puntos en común.

For us SOFT MEETING is a collection that is all about growing together and understanding how the relation of work and life has evolved together into a more dynamic everyday.

The idea behind this collection is to create an evolving platform for sharing experiences and finding common grounds.

Plateau Seating System

Cate&Nelson

PLATEAU SEATING SYSTEM permite realizar conjuntos customizados para áreas de espera y/o reunión.

A destacar sus opciones de asientos realizados mediante espuma ignífuga con o sin respaldo/ brazo, combinables con mesas de apoyo integradas que pueden incorporar elementos electrónicos de carga o conectividad. Dispone de accesorios como macetero o mesa soporte.

PLATEU SEATING SYSTEM for creating customised layouts for waiting and/or meeting areas.

The system offers interesting options including seats made with fire-retardant foam with or without a back/armrest, for combining with built-in tables to which electronic elements for charging devices or connectivity can be added. Comes with accessories such as a flowerpot holder, occasional table and cushions.

Sus posibles y múltiples configuraciones recrean cualquier desarrollo pensado por el cliente.

The system's myriad possible configurations can be combined to suit any purpose devised by the client.

Plateau System

Permite combinar áreas de trabajo tradicionales con espacios dedicados al relax o la participación y reflexiones en equipo.

Allows for the co-existence of traditional working areas and spaces dedicated for people to relax in or for team participation and reflection.

Plateau System

Elementos como la mesa de apoyo facilitan la incorporación de soluciones actuales de carga o conectividad.

Elements such as the side table allow for the incorporation of the latest connectivity or charging technological solutions.

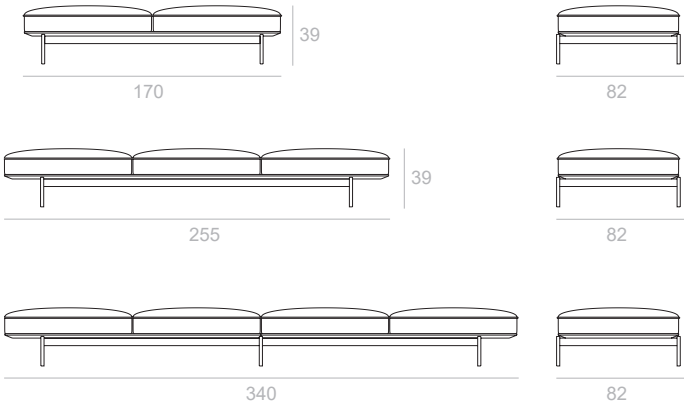

Concebido como un diseño contemporáneo para espacios de Espera/Reunión, dando protagonismo/valor a la naturaleza y a la calidad del aire que respiramos.

Conceived as a contemporary design for waiting rooms/meeting spaces, highlighting and allowing an appreciation of the nature and the quality of the air we breathe.

Overlay Tables

Cate&Nelson

La familia de mesas OVERLAY nace con una clara vocación de acompañamiento y servicio. Complemento perfecto para nuestros sofás y bancadas PLATEAU o de apoyo en espacios Contract y hogar. La belleza de estas piezas radica en la simplicidad de su base metálica y el detalle del bisel en sus innumerables opciones de tapas de mesa : Mármol , Vidrio, Lacados y maderas naturales.

The OVERLAY table family is born with an obvious vocation to accompany and provide a service. The perfect complement for our PLATEU sofas and benches, or for occasional use in rest areas. The beauty of these pieces lies in the simplicity of their metal legs and in the bevelled detail of their innumerable table-top options: marble, glass, lacquered and natural woods.

Simbiosis entre productos, pureza y simplicidad que nos
llevan a la atemporalidad.

A symbiosis between products, purity and simplicity that
give us a sense of timelessness.

Bikini

Cate&Nelson

BIKINI easy chair. Su innata singularidad la convierten en pilar de nuestra colección SOFTMEETING. Lo sinuoso de sus formas, su estudiado tamaño y su diseño contemporáneo trasladan emoción. Ideal para infinitas opciones de amueblamiento, complace las necesidades de distintas atmósferas : Hotel , Recepciones , Reunión, áreas de trabajo y residencial.

BIKINI easy chair. Its innate singularity makes this the pillar of our SOFTMEETING collection. Its sinuous shapes, carefully studied size and timeless design convey emotion. Ideal for endless furnishing options, it meets the needs of different atmospheres: hotels, receptions, work areas and residential use.

Bikini Easy Chair

Estructura realizada en molde curvado con tablero de contrachapado marino, espuma ignífuga y selección de tejidos rigurosamente meditados.

A structure manufactured from a curved mould with marine plywood board, flame retardant foam and a selection of fabrics, into which a lot of thought has gone.

Bikini Easy Chair

Su capacidad de enriquecer cualquier espacio delata el acierto de la creación.

Its capacity to enrich any space that is the best evidence of its success.

Bikini Easy Chair

Deseamos dar valor al encuentro, a la reunión cómplice.
Frenar la velocidad impersonal tan cotidiana.

Plateau Armchair

Cate&Nelson

Sofá PLATEAU : Destinado a zonas nobles y de dirección, no escatima esfuerzos en los distintos elementos que lo componen. Constructivamente no obvia una dificultad productiva que enriquece su composición y diseño.

PLATEAU ARMCHAIR: Intended for use in elegant, executive areas, this sofa spares no effort on the different elements making it up. As far as its construction is concerned, it does nothing to avoid the complication of its production, thereby enriching its composition and design.

Realizado con espuma ignífuga de alta densidad , con detalles ricos en valor como la calidez de su base de madera y sus acabados níquel en bases metálicas busca traspasar épocas o modas .

Made with high-density fire-retardant foam, with details rich in value, such as the warmth of its wooden base and its nickel finishes on metal, this a timeless piece that will never go out of fashion.

Ton-Ton

Cate&Nelson

TON-TON pouff . Hermano y base conceptual de BIKINI, se convierte en un objeto de fácil deseo. Versátil, ligero y con detalles artesanales como el asa en cuero natural lo convierten en un complemento fácil de combinar, dinámico , accesible y perfecto como asiento de nuestras mesas VIS, facilitador para reunión frente a OLMO y como objeto único de decoración.

TON-TON pouff. Brother and conceptual basis of BIKINI, this pouffe is an object easy to love. Versatile, lightweight and with artisan touches such as the natural leather loop, this is an accessory easy to combine, dynamic, accessible and perfect for sitting at our VIS tables, ideal for meetings around the OLMO and as the sole decorative item.

Olmo

Cate&Nelson

OLMO se desarrolla con un afán de utilidad. Cubre, viste y aporta solución en aquellas atmósferas destinadas a la espera o reunión. Dotado además, de componentes eléctricos de carga para dispositivos, es perfecto para grandes recepciones.

OLMO is meant to be used. It covers, dresses and offers a solution to the atmosphere of waiting or meeting areas. It also comes with electrical components for charging devices and is perfect for large receptions.

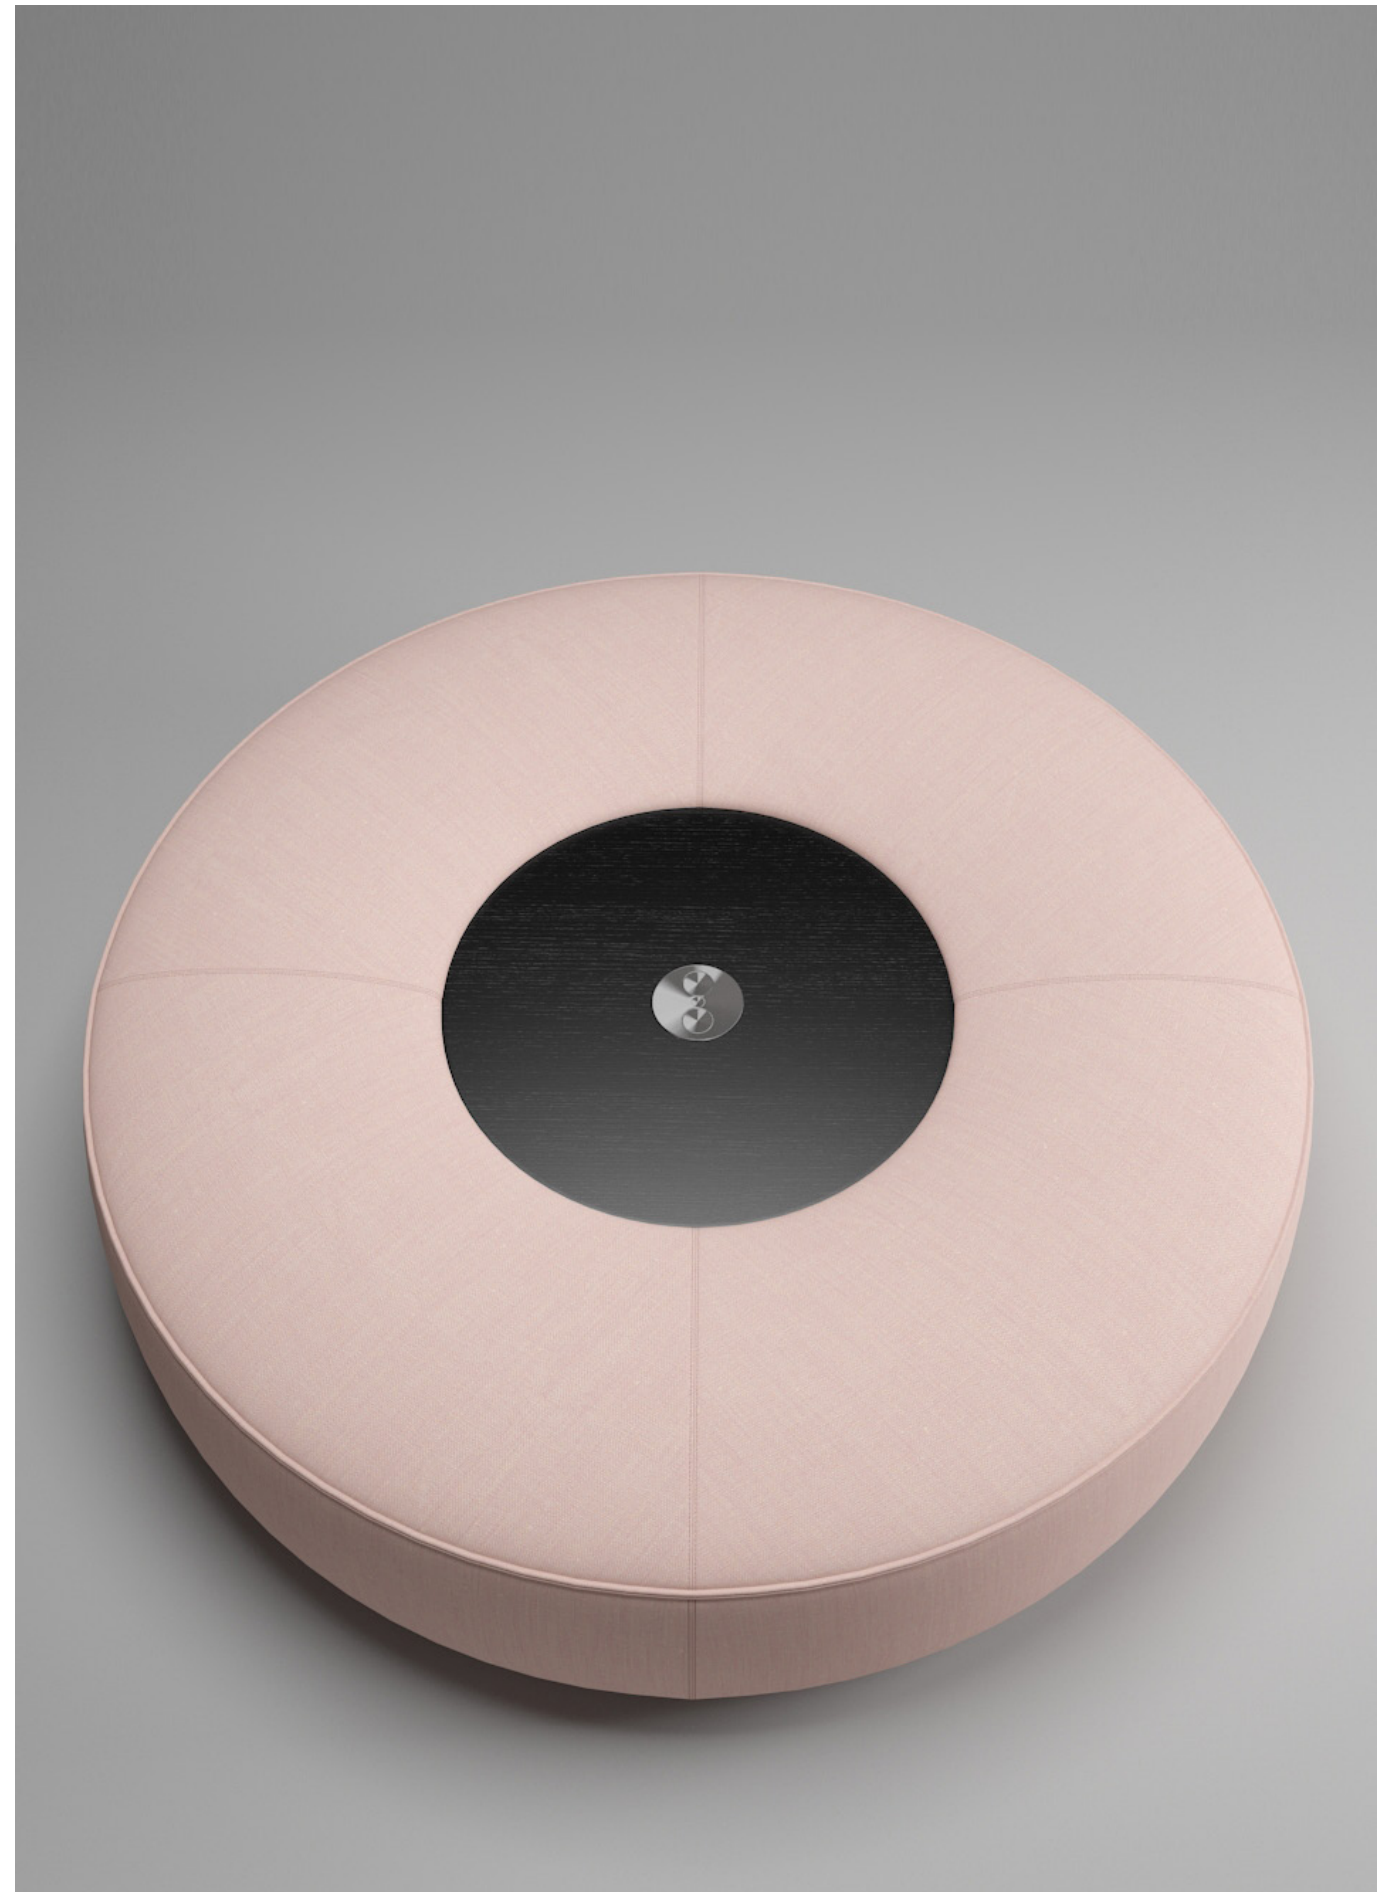

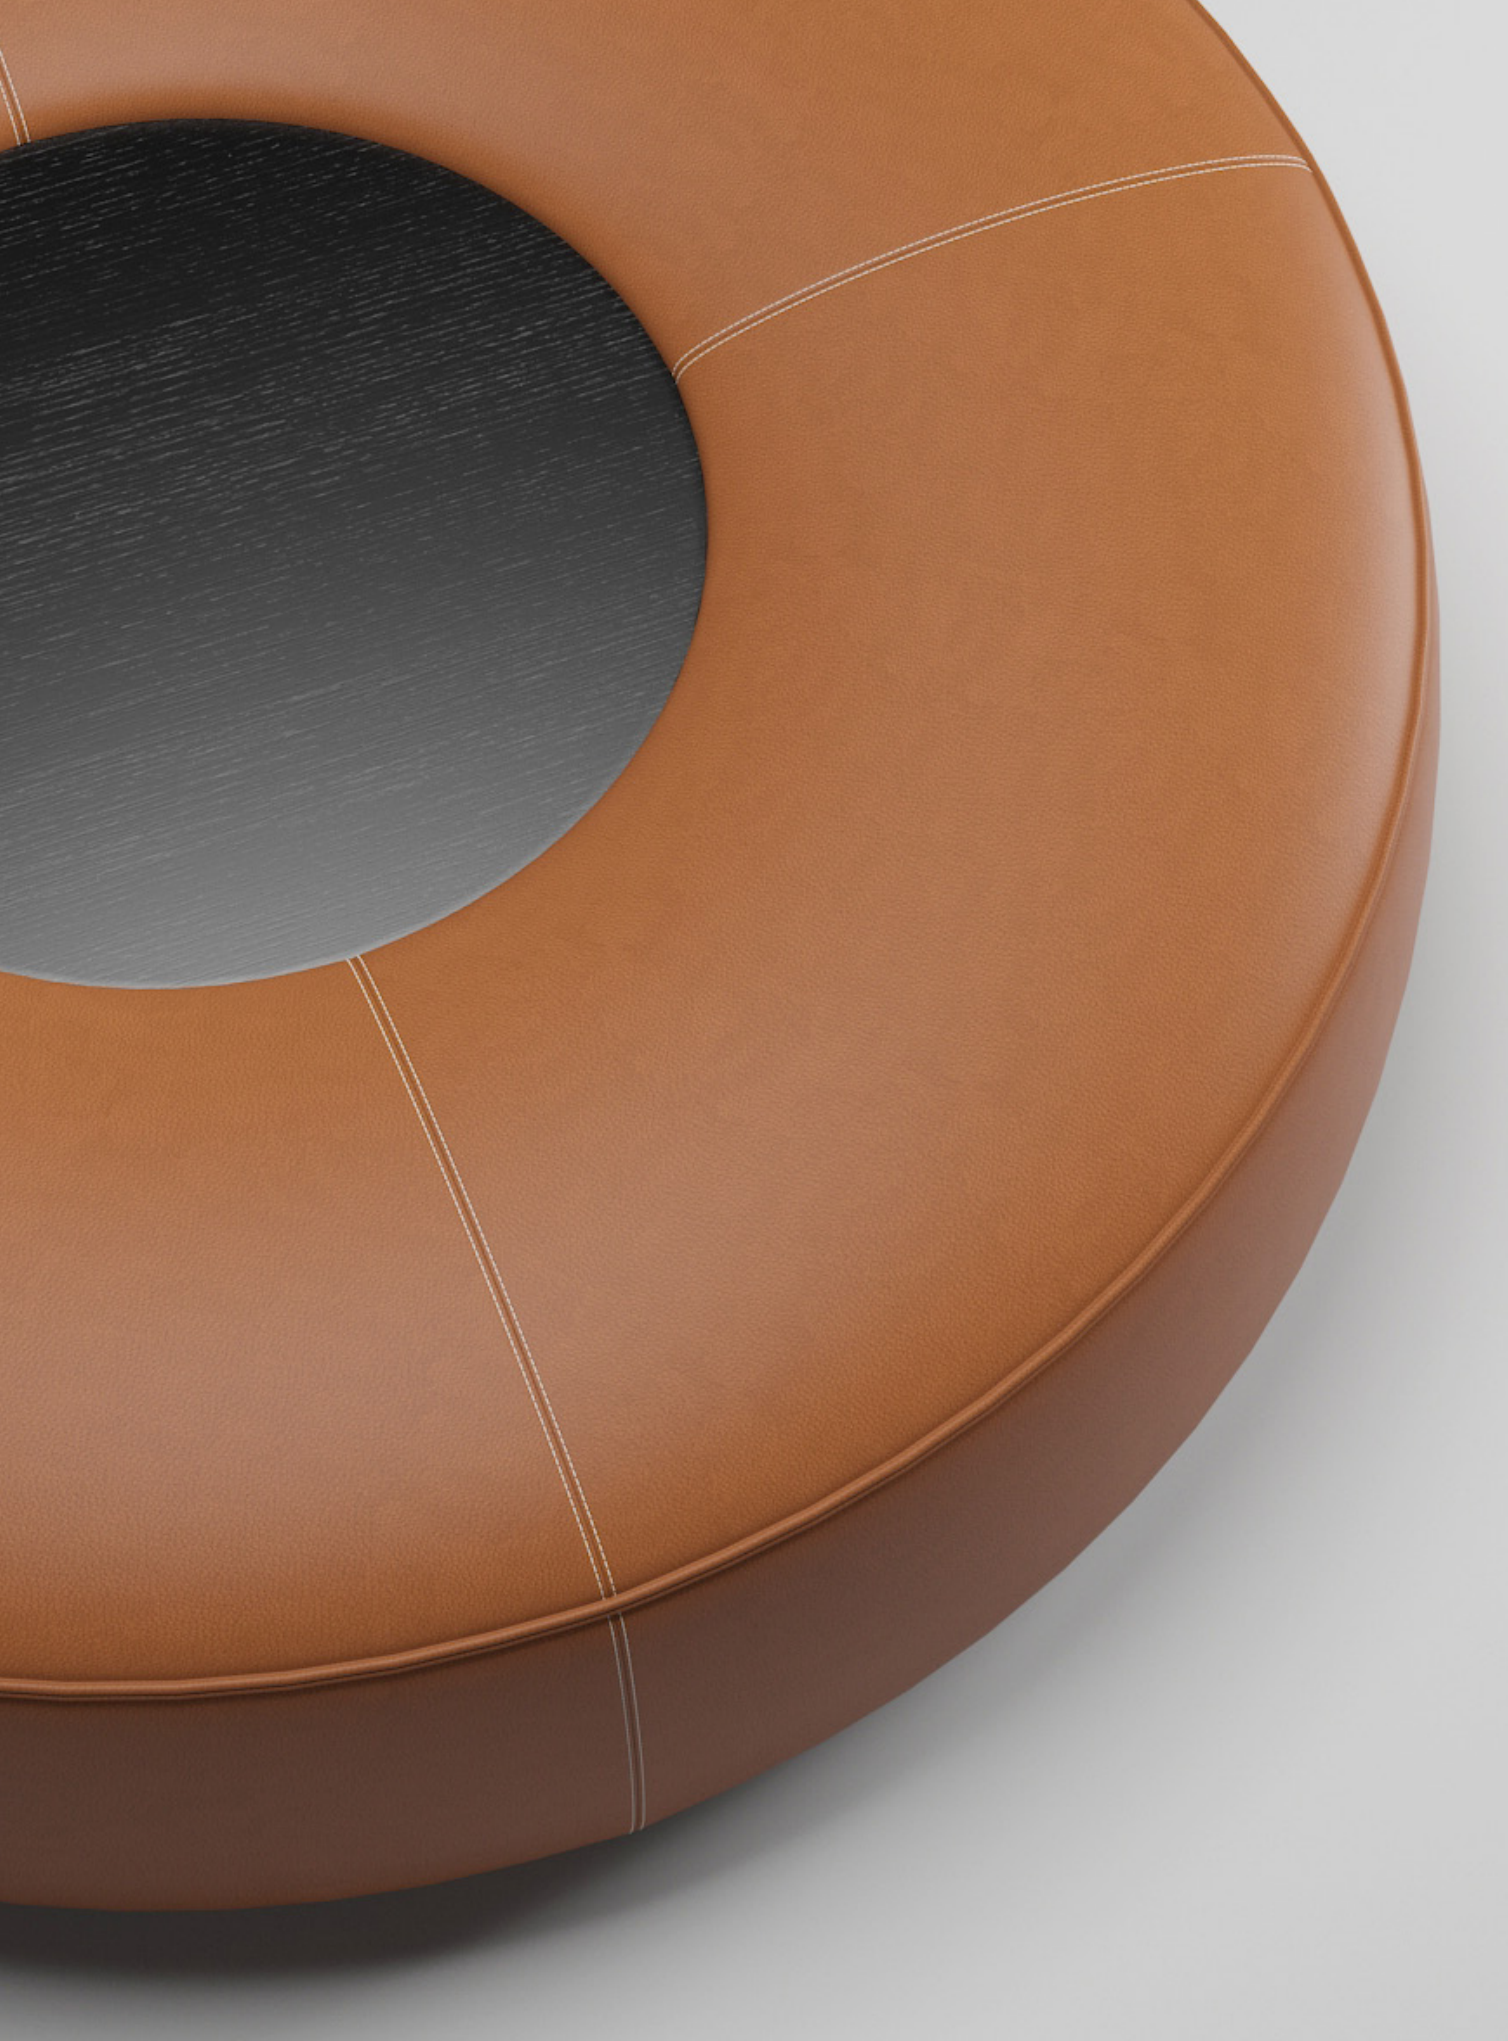

A su vocación de refugio se suma la capacidad de atender necesidades puntuales de carga para dispositivos electrónicos como Wireless Charger Fs80 o Twist de Bachmann.

Apart from specialising in providing comfort, it is also equipped to be able to provide charging for electrical devices such as the Fs80 Wireless Charger or the Bachmann Twist, whenever needed.
